I will advocate for improved resources for local schools and to fix the serious pothole problem we have in our area. I will focus on public transport including the need for more buses, social housing, opportunities for young people, dealing with poverty and improving health provision.

My pledges for Sandridge & Wheathampstead

Environment

Cleaning up our environment is a key priority for me. I will work to ensure that roads and rivers are clear of pollution and potholes.

Youth spaces

I will work with key stakeholders to ensure our children and young adults have more local facilities to play, socialise and develop.

Affordable housing

I will support the construction of new environmentally-friendly, affordable housing on brownfield sites where possible.

Schools & Education

With children educated locally, I see this as a priority area and will work with schools and County colleagues.

Transport services

Bus services, cycling routes and pedestrian-friendly areas are key to health and environment. I will work to improve them.

Labour nationally

A General Election is expected this year. It is time for a change and Labour is ready to replace the Tories. Built on economic stability, secure borders and strong defence, we have defined our national priorities.

Our priorities are:

- Get Britain building again;
- Switch on Great British energy;
- Rebuild the NHS;
- Take back our streets;
- Break down barriers to opportunity.
