YOUR CANDIDATE FOR

Harpenden South

James Morrell

I've lived in Harpenden since 2019. Like many, I moved here from London when my daughter was born to enable her to grow up in a beautiful, safe and thriving town. Five years and another child later, we couldn't be happier here. I'm standing because I want to help keep Harpenden the amazing place that we fell in love with.

After 14 years of a National Tory government, the local services budget has been cut by 40% on average. That's why our roads have more holes, our services creak and council tax is going up. It's time for a change.

My pledges for Harpenden South

Environment

I will work to keep our spaces beautiful: to protect our greenbelt, address fly tipping and the polluting of our rivers.

Thriving local businesses

I will fight to make sure that the high street and Southdown remain unique, places where local businesses can thrive.

Value for money

I will make sure that every pound spent gives the best possible value for all the people that live here.

Affordable housing

I will campaign for affordable housing in the area, focussing on brownfield sites.

Transport

Supporting better local transport connections via improved train and bus services, and cycling routes will be a key priority for me.

Labour nationally

A General Election is expected this year. It is time for a change and Labour is ready to replace the Tories. Built on economic stability, secure borders and strong defence, we have defined our national priorities.

Our priorities are:

- Get Britain building again;
- Switch on Great British energy;
- Rebuild the NHS;
- Take back our streets;
- Break down barriers to opportunity.
