## YOUR CANDIDATE FOR

Harpenden East

### **Neil Mulcock**

Neil has lived with his family in Harpenden for over 20 years. As a successful life sciences executive Neil can bring his experience to tackle many of the challenges we are facing. He is not an aspiring politician, but has decided to stand for election to address the issues left us by 5 years of the Conservative and Lib Dem national coalition followed by 9 years of the Conservatives.

It's time for change. After 5 years of the Tory and Lib Dem national coalition then 9 years of the Tories, we have the highest taxes post war, huge debt, and the worst services in living memory. I will focus locally on our environment, schools and transport.

### My pledges for Harpenden East

#### Education

I will work to deliver high quality education and raise standards in our schools, giving every child the best possible start in life.

#### Environment

I will work to protect our greenbelt and address fly tipping and the scandal of the polluting of our precious chalk streams and rivers.

#### Affordable housing

I will campaign for affordable housing in the area, focussing on brownfield sites.

#### Transport

Supporting better local transport connections via improved train and bus services, and cycling routes will be a key priority for me.

#### Youth spaces

I will work with key stakeholders to ensure our children and young adults have more local facilities to play, socialise and develop.

## Labour nationally

A General Election is expected this year. It is time for a change and Labour is ready to replace the Tories. Built on economic stability, secure borders and strong defence, we have defined our national priorities.

Our priorities are:

- Get Britain building again;
- Switch on Great British energy;
- Rebuild the NHS;
- Take back our streets;
- Break down barriers to opportunity.
