YOUR CANDIDATE FOR

Harpenden North and Rural

Ross Harper

I was born in Cornwall and lived in Harpenden for 4 years. I have worked for Transport for London for 10 years. I'm a keen triathlete racing all over the world representing GBR, although, the vast majority of my training is done running/cycling around our amazing countryside. My 3 key values are honesty, innovation and accountability.

It's time for change. After 5 years of the Tory and Lib Dem national coalition then 9 years of the Tories, we have the highest taxes post war, huge debt, and the worst services in living memory. I will focus locally on our environment, schools and transport.

My pledges for Harpenden North & Rural

Transport

Pedestrian and cycling access is a strong priority along with key links to our train station, schools and amenities.

Environment

I am particularly concerned about the issues of fly tipping and potholes and will seek to increase public transport usage.

Local Business

I will work with small businesses and shops to bring people to the high street and away from electronic retail.

Youth Spaces

I will work with key stakeholders to ensure our children and young adults have more local facilities to play, socialise and develop.

Affordable Housing

I will support the construction of new environmentally-friendly, affordable housing on brownfield sites where possible.

Labour nationally

A General Election is expected this year. It is time for a change and Labour is ready to replace the Tories. Built on economic stability, secure borders and strong defence, we have defined our national priorities.

Our priorities are:

- Get Britain building again;
- Switch on Great British energy;
- Rebuild the NHS;
- Take back our streets;
- Break down barriers to opportunity.
